(nearly 2 hours long)

This inspiring true story of a rugged South African farmer Angus Buchan, who leaves his farm in Zambia amidst political unrest and racially charged land reclaims and travels south with his family to start a better life in KwaZulu Natal, South Africa. With nothing more than a caravan on a patch of land, and help from his foreman, Simeon Bhengu, the Buchan family struggle to settle in a new country. Faced with ever mounting challenges, hardships and personal turmoil, Angus quickly spirals down into a life consumed by anger, fear and destruction.

Angus' manic quest for material success is slowly transformed into a wild love for God and people, as he wrestles with faith, hope, natural disasters and tragic personal loss.

Watch this moving life journey of a man who, like his potatoes, grows his faith, unseen until the harvest.

## Is There Evidence On Earth Of Noah's Flood?

The earth today carries many remnants and signposts of the great Flood of Noah. Massive fields of fossils buried suddenly, weather patterns recorded in polar ice, continent-wide layers of sediment that are uncovered today as rock layers - all echo the worldwide judgment of God as recorded in Genesis. Approx. 29 minutes.

## **Leaving Your Brains at the Church Door? The power of logic in defending your faith.**

Why should Christians defend their faith? How should they do so? See how to spot common fallacies and use correct logic – both to present a positive case for Christianity, and refute objections. Anti-Christian fads such as evolutionism and postmodernism assail Christians, but logic is a powerful weapon to demolish them.

Featuring Dr Jonathan Sarfati.  
Duration: 56 min

## **The Alternative: Creation's Competitive Edge**

Do you want to reach your culture with the gospel? Then you'd better be prepared to give them an Alternative! There are sound, credible answers to evolution, the most common excuse used to reject the Bible today, but most people haven't heard them yet. The biblical worldview, including a 6-day creation event only 6,000 years ago, is a strong defensible scientific alternative! Get equipped and defend your faith against some of the most pressing excuses for rejecting Christianity in this informative, illustrated presentation.

Featuring Dr Robert Carter  
Duration: 47 minutes.
